Comments:															
This was one of the best lessons. They had energy, were well-prepped, and actually kept the lesson alive.															
Great session. Kevin and Dean could even fill two days. Awesome guest speakers, very inspiring.															
Very well prepared and fun guys. The fact that they brought an Oscar winning author showed they really cared to give us an experience.															
The best class I guess! Really well structured with a lot of interesting facts. And a lot of fun.															
Loved these guys, really inspiring!															
Kevin was great! Dean made excellent jokes and really clarified what's going on here. It was really great that they have invited Geoffrey Fletcher. NICE!															
BEST!!! Super cool class! They were super well prepared, so open and nice and very helpful. Most inspiring!															
Nice guys, nice lessons! Intensive talks with the writers.
